

REMARKS

In reply to the Notice of Non-Compliant Amendment ("Notice"), Applicant respectfully requests the Examiner to consider pages 8 and 9 of the Reply to Office Action filed on June 4, 2010 ("Reply"). In the Notice, it is alleged that the Reply was non-compliant because claims 30, 31, 36, and 37 do not show markings of changes. Applicant respectfully asserts that the amendments made to claims 30, 31, 36, and 37 were indicated by markings and requests the Examiner to consider the underlining of the colon ":" after the word "comprising" in claims 30, 31, 36, and 37. Accordingly, the Notice is improper and Applicant requests withdrawal of the Notice.

Further, in order to advance prosecution, Applicant includes in this Response a complete listing of the claims including markings that even more clearly indicate amendments made to claims 30, 31, 36, and 37.

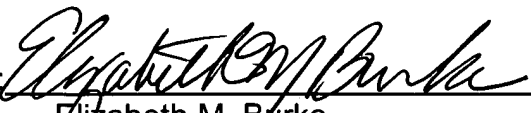

Claims 1-3, 5-34, and 36-48 remain pending, and Applicant respectfully requests withdrawal of the Notice and allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
